

Steve Gasdeblay

Ecosystem Partnerships and ISV Co-Sell | \$8.5M+ ARR Co-Sell Revenue

+33 6 74 84 65 73 | steve.gasdeblay@hotmail.com | Paris, France

Partner sales professional with 8+ years in B2B sales, business development and technology partnerships. Track record of closing co-sell revenue with ISV partners and field sales teams, and of scaling partnerships in high-growth technology environments through C-level negotiation and cross-functional alignment.

WORKING EXPERIENCE

Salesforce Senior Strategic Partner Account Manager - International	Paris, France July 2025 - Today
---	---

- Carry a \$2.1M co-sell quota across a portfolio of global Salesforce-native ISVs (**FY26: 138% quota attainment**).
- Sell hybrid SaaS + consumption-based models into joint deals, enabling partners to resell to end customers.
- Secure partner C-level commitment on product roadmap, GTM investment and AI use cases against joint pipeline targets.
- Renegotiate partner agreements and revenue-share models, aligning roadmaps to new products (**drove a revenue share increase from \$95K to \$566K for two partners**).
- Design and execute multi-regional co-sell motions with field sales and pre-sales teams to accelerate partner-led growth.
- Develop relationships with Global SIs and enablement partners to support delivery capacity and customer success.

Salesforce ISV Growth Partner Account Manager - EMEA	Paris, France May 2022 - June 2025
--	--

- Owned a \$1.6M co-sell quota across 22 EMEA ISV partners, driving joint business planning and ecosystem development (**FY25: 114% quota attainment**).
- Create new sales motions (GTM kits, sales plays, ROI narratives) to scale best practices, accelerate field-sourced opportunities, and drive partner transactions through AppExchange.
- Act as **ecosystem owner**, orchestrating Sales, Solution Engineers, Product and Marketing teams to support partner execution in closing joint opportunities with end customers, and global expansion.
- Owned the full partnership lifecycle of ISV partner Zoomin, from inception and joint GTM to product alignment with Salesforce's Service Cloud roadmap, contributing to the strategic fit that led to **Zoomin's acquisition** by Salesforce.

Microsoft Partner Development Manager - ISV & SI Ecosystems	Paris, France July 2021 - April 2022
---	--

- Generated **€2.6M in annual cloud consumption** pipeline through first-line negotiation and onboarding of French ISVs.
- Scaled the Microsoft Cloud startup and ISV ecosystem in France across accelerators, incubators, VCs and services partners - managing a contracted team member to support recruitment operations.
- Built from the ground up the Microsoft Startups Tour de France, a national ecosystem initiative reaching 100+ startups across 5 cities - driving cloud adoption and co-sell (**140% VS target of 5 monthly signatures**).

Microsoft

Partner Recruit Manager - Startups, Accelerators & Incubators

Paris, France

September 2019 - June 2021
